RECIPROCITY POLICY - EMT-A STATE OF MARYLAND

1. Candidates for reciprocity will only be considered if they are Maryland Residents and affiliated with a Maryland Ambulance/Fire Company.
2. Certified EMT-A's with a State having a formal reciprocal agreement with the State of Maryland, will be granted reciprocal certification as a Maryland EMT-A with expiration date concurrent with that of the certifying State providing that:
 - 2.1 They meet the requirements outlined in Section I.
 - 2.2 They show proof of successful completion of the certifying States Program 81 Hour DOT.
 - 2.3 The date of application is at least six (6) months prior to expiration of EMT-A.
 - 2.4 Those with less than six (6) months must successfully complete the 21 Hour Emergency Care Refresher Course prior to reciprocal certification.
 - 2.5 Effective March, 1978, the States having formal reciprocal agreement with Maryland regarding EMT-A Certification are Pennsylvania, Virginia, and West Virginia.
 - 2.6 Certified EMT-A's from the District of Columbia must meet all the above requirements and successfully complete the Practical and written examination.
3. Persons requesting reciprocal certification from any other State must:
 - 3.1 Meet the requirements of Section I.
 - 3.2 Show proof of successful completion of a DOT approved EMT-A Program and then will be required to:
 - 3.3 Successfully complete a 21 Hour Refresher Program.
 - 3.4 Successfully pass the EMT-A final examination.
 - 3.5 Successfully complete the Practical Testing Program.
4. The State of Maryland does not have reciprocity with the National Registry at this date. Those so certified must follow the procedure outlined in Section III:
 - 3.1 - 3.5.
