

ANNOUNCEMENT

The Director and the staff of the University of Maryland Bookstore/UMBC invite you to attend a reception for the authors of Not Quite A Miracle, Alan Doelp and Jon Franklin. It will be held on Saturday, March 26, 1983, at the bookstore from 12:00 noon until 2:00 p.m. The Bookstore is located in the University Center building on the UMBC campus. Wine and cheese will be served.

Alan Doelp and Jon Franklin are also the authors of the best-selling book, Shocktrauma, which tells the story of the Shocktrauma Unit at the University of Maryland Hospital. Their new book explores the drama of two remarkable neurosurgical teams: one, headed by Dr. Donlin Long at the Johns Hopkins University Medical Center; the other, headed by Dr. Thomas Ducker at the University of Maryland Hospital. The two widely acclaimed science writers will be available to discuss their works and sign their book, if desired.

Coincidentally, a national conference on Stress Factors in Emergency Medical Services and Critical Care Medicine will take place on the same day and in the same building. We look forward to seeing you and any of your colleagues who would enjoy attending this event.
