Newsletter of the U.M.B.C. Emergency Health Services Association

Letter from the Editors:

February 7, 1983

Dear Students and Faculty:

Welcome back to school and Happy New Year!

Welcome to the first edition of the "New" EHS Association newsletter.

We hope you like our new face lift. It was designed by the editors, Mike Curtis and Ellie Runion. We would like to thank Jim Falkner, of MIEMSS, for being so generous with his time in doing the artwork. We feel he did a truly professional job. Thank you Jim! Along with our new face, we also have a new name, and more changes are coming! For example, we hope to add feature articles about people, places and things in EMS. Furthermore, we invite you, the reader, to share news items, comments and suggestions with us. We hope that these changes will make the newsletter a better communications vehicle for all of us. We hope you will think so too.

Wishing all of you a good semester,

Mike Curtis

Ellie Runion

New Business

Mike Stanner proposed that a banquet be arranged for EHS majors and faculty to be held later this semester. Mike Stanner and Tracy Zukowski will check into possibilities.

Nominations and Election of Association Officers:

Mike Curtis discussed possible problems with up coming elections. According to the by laws, no major who expects to be on internship during and Graduating at the end of the 1983-fall semester can hold office. After considerable discussion of 3 options, it was decided by a majority vote that, that rule will be suspended. It was further decided that the term of the officers elected in the up coming election will end December 7, 1983, and the following term will run until February 14, 1985. Those officers elected for the upcoming term will have to agree to commit themselves to their official duties while doing their internship.

Nominations of officers began on Wed., Feb. 2, 1983 at 2:00 pm, and will close on Mon. Feb. 7, at 2:00. The election will begin at 2:00 pm. on Tues. Feb. 8, and will run until 2:00 pm on Fri. Feb. 11, 1983.

The Meeting was adjourned at 2:07 pm.

The next meeting will be held on March 2, 1983 at 1:00 pm.
